Los Altos Family **Chiropractic**

2004 READERS' CHOICE AWARD FOR **BEST CHIROPRACTOR**

Dr. Deborah E. Mosca

Dr. **Mosca**, a long-standing and prominent figure in the community, has been the director of Los Altos Family **Chiropractic** for fifteen years. **Deborah** (a 1988 Palmer graduate with Cum Laude honors) is an extraordinary, reputable professional focusing on providing the highest quality patient care in a personal and loving environment. She has advanced training in women's/pediatric health, sports and whiplash injuries, and has developed effective approaches for treatment of repetitive-stress and computer-related posture problems.

Experience for yourself why she's been awarded Best Chiropractor in the Peninsula. Come celebrate with us for the month of August. For a limited time only, we are offering a complimentary consultation, a detailed examination and x-rays if necessary at absolutely no cost to you. The first 10 callers who call to take advantage of this offer will receive a complimentary 30-minute stress relieving back massage and a spa gift. This offer is only valid through August 31, so call now at 650-917-2030 and mention this ad.
